Portfolio: Abishek

SUMMARY

A proactive and technically skilled Software Engineering undergraduate with a strong foundation in web development and UI/UX design. Experienced in both front-end and back-end development, with a focus on creating responsive and efficient applications. Passionate about designing intuitive, user friendly interfaces and applying user centered design principles. Known for strong problem solving abilities, effective decision making, and the capacity to collaborate seamlessly within team environments. Eager to contribute to innovative projects, gain practical industry experience, and continue developing technical expertise. Currently seeking a **Software Engineering internship** to apply my skills, enhance my industry knowledge, and contribute to impactful projects.

SKILLS

Web Development

Front end: HTML, CSS, JavaScript, Bootstrap, ReactJS, CSS

Back end: PHP, Java, JavaScript, C, C#

Database: MySQL

Frameworks

Microsoft Asp. Net

UI/UX Design

I am skilled in designing intuitive and user-friendly interfaces using tools like Figma, with experience in wireframing, prototyping, and applying user-centered design principles.

Interpersonal & Consultative

Decision Making, Problem Solving, Teamwork & Collaboration, Time Management

EDUCATION

NSBM Green University | BSc (Hons) Software Engineering   **2022-2026**

- **Current GPA: 3.52**

PROJECTS

Academic

- **Online Perfume Site (Y1S2)**
  Role: Frontend Developer
  Tech Stack: HTML, CSS, JavaScript, Bootstrap
